

Come one, Come all, to the *Fairy Tale Ball*

*M*ore Than Just Fairy Tales

Once upon a time, it is the opening to every great fairy tale.

At Fair Haven, we believe that when you believe in healing, you'll find your wings. This year's Neverland-inspired Fairy Tale Ball isn't just a magical escape — it's a celebration of resilience, childhood innocence, and the power of prevention.

Our vision is to see a community free of sexual violence, and that's why we provide age-appropriate prevention education to students in grades K-12 throughout the community. Messages like "My Body Belongs to Me" give children the tools and language to recognize unsafe situations and ask for help.

By attending the Fairy Tale Ball, you're not only stepping into a world of fairy dust and adventure — you're also helping us protect more children and support survivors on their journey from victimhood to freedom. Because in both Neverland and real life, "all it takes is faith, trust, and a little bit of pixie dust" to believe in something better — and to take flight.
