

Sea it Through

With Portside Suites Capital Campaign

Charting the Course

For more than 20 years, Fair Haven has helped survivors find hope, healing, and a path forward. What began with \$500, one program, and a coffee pot has grown into Northwest Indiana's only stand-alone rape crisis center.

But one critical need remained: safe, stable housing.

That need became Portside Suites.

STEP ONE: A PERMANENT ANCHOR

Fair Haven Headquarters — FULLY FUNDED

In 2024, Fair Haven purchased its first permanent headquarters in Highland, creating long-term stability for the organization and a permanent home for survivor services.

STEP TWO: A SAFE HARBOR

Portside Suites Acquisition — FULLY FUNDED

Fair Haven changed course from new construction and acquired an existing multifamily property—expanding Portside Suites from five planned apartments to seven private suites and allowing us to serve survivors sooner.

STEP THREE: SEA IT THROUGH

Now, We Turn Housing Into Home.

The building is secured. Now we need your help making Portside Suites safe, welcoming, and ready for survivors.

Every Gift Makes Waves

There is more than one way to help make
Portside Suites a safe place to land.

DOUBLE YOUR IMPACT

Support Portside Suites through Legacy Foundation

Qualifying donations can be matched dollar-for-dollar up to \$75,000, helping your support go even further.
